

Contractor agrees to the following general conditions:

## 1. SCOPE AND APPLICABILITY

These General Conditions of Contract apply to the procurement of all goods and services to the Danish Refugee Council ("DRC") from Contractor. DRC and Contractor shall each be referred to as a "Party" or jointly as "Parties" hereunder. These General Conditions of Contract form an integral part of the Contract between DRC and Contractor and may be supplemented by terms and conditions in a purchase order or a separate agreement or contract ("Contract") issued to the Contractor. No other terms and conditions shall be deemed accepted by DRC unless and until DRC expressly confirms its acceptance in writing.

## 2. LEGAL STATUS OF THE PARTIES

Contractor shall be considered as having the legal status of an independent contractor in relation to DRC. Contractor's named personnel, staff, and any sub-contractors shall not be considered in any respect as being employees or agents of DRC and shall have no right to receive any employee benefits provided by DRC to its employees. Contractor shall not be considered a partner of DRC and shall not hold itself out as such.

## 3. CONTRACTOR'S DUTY OF CARE

Contractor acknowledges and shall take all reasonable steps to ensure the health, safety, and security of Contractor's staff and employees. This duty of care is the sole responsibility of Contractor and Contractor agrees to indemnify DRC from any action arising from any breach of this duty of care.

## 4. CONTRACTOR'S RESPONSIBILITY FOR EMPLOYEES

The Contractor shall be responsible for the professional and technical competence of its employees and will select, for work under the Contract, reliable individuals who will perform effectively in the implementation of the Contract, respect the local customs, and conform to the highest standard of moral and ethical conduct. Contractor acknowledges that all work within the scope of the Contract shall be performed with all necessary skill, care, diligence, efficiency and economy to satisfy generally accepted professional standards.

## 5. ASSIGNMENT

Contractor shall not assign, transfer, pledge, or make other disposition of the Contract or any part of it, or any of Contractor's rights, claims or obligations under the Contract except with the prior written consent of DRC. Nothing in the Contract or these General Conditions shall prevent the assignment by DRC of the Contract or any right, duty, or obligation hereunder to any third party.

## 6. SUB-CONTRACTING

6.1 In the event Contractor requires the services of sub-contractors, Contractor shall obtain the prior written approval of DRC for all sub-contractors, which shall not be

unreasonably delayed.

6.2 The terms of any sub-contract shall be subject to and conform with the terms of the Contract. The approval or rejection by DRC of a sub-contractor shall not entitle Contractor to claim any delays in the performance of the Contract, nor relieve Contractor of any of its obligations under the Contract.

6.3 DRC may require Contractor to terminate a sub-contract where the acts or omissions of the relevant sub-contractor would have given rise to DRC's right of termination of the Contract pursuant to Clause 21 "Termination" or if there is a change of control of an agreed sub-contractor.

6.4 Despite Contractor's right to sub-contract pursuant to this Clause, Contractor shall remain responsible for all acts and omissions of any sub-contractors and the acts and omissions of those employed or engaged by the sub-contractors as if they were Contractor's own.

## 7. PURCHASE OF GOODS

7.1 If the Contract involves the purchase of goods by DRC, whether in whole or in part, and unless specifically stated otherwise in the Contract, the following conditions shall apply under the Contract:

7.1.2 Shipment and delivery: All goods shall be delivered DDP (INCOTERMS 2010) to the agreed place of delivery by the delivery date as stated in the Contract unless otherwise agreed.

7.2 In the case of Subcontract agreements: If the Contract involves the purchase of goods or services, DRC procurement guidelines will apply to Contractor. Contractor may use its own respective procurement guidelines only if they are in accordance with the Contracting Authority's requirements and procedures. Contractor must share its internal procurement guidelines with DRC prior to any procurement. Contractor is solely responsible for the settlement and satisfaction of all contractual and administrative claims and obligations arising out of procurement transactions for the purpose of this Contract.

## 8. NON-PERFORMANCE OF CONTRACT

8.1 In the event Contractor fails to deliver all or part of the goods or services by the agreed delivery dates, DRC may, after giving Contractor reasonable notice to perform and without prejudice to any other rights or remedies, exercise one or more of the following rights:

8.1.1 procure all or part of the goods or services from other sources, in which event DRC may hold Contractor responsible for any additional costs beyond the balance of the Contract price resulting from any such procurement, including the costs of engaging in such procurement;

8.1.2 refuse to accept late delivery of all or part of such goods or services;

8.1.3 deduct from the payment or payments due to Contractor, a sum equivalent to 0.2% of the Purchase Order price per day up to a maximum deduction of 10% of the contract price (the "liquidated damages"); and/or

8.1.4 declare the Contract void or terminate the Contract for the part not delivered.

8.2 DRC shall not be liable for any cost incurred by Contractor in connection with the goods or services that have been procured and not delivered or any other remedy expenses incurred by Contractor.

8.3 DRC shall have the right to reject the goods or services or any part of them if they do not conform with the specifications of the Contract. In the event of a rejection and unless otherwise specified in the Contract:

8.3.1 to the extent the Contract relates to goods and it is not possible to restore the required functionality of the goods or parts thereof, Contractor shall, at the discretion of DRC either replace the defective or non-conforming goods or provide an alternative solution and reduce the Contract price accordingly or return the goods or parts thereof and reimburse any payments made by DRC under the Contract. The cost of repairing, replacing, or returning the goods shall be borne by Contractor. Payment for the goods under Clause 9 shall not be deemed an acceptance; or

8.3.2 to the extent the contract relates to services, Contractor shall take corrective action against the services provided at no cost to DRC. Any services corrected by Contractor shall be subject to this Clause to the same extent as work initially performed. If Contractor fails or refuses to take corrective action, DRC may, by contract or otherwise, correct or replace with similar services and charge to Contractor the cost occasioned to DRC, or make an equitable adjustment in the contract price.

## **9. PAYMENT**

9.1 In consideration of all work and services provided by Contractor within scope of the Contract, Contractor will be paid the Fees in arrears in accordance with agreed time schedule, which shall specify whether such payment is on a time input (fee based) basis or a fixed fee (global price) basis or a combination of both. Clause 9.2 shall apply if Contractor provides any work or services on a time input basis. Clause 9.3 shall apply if Contractor provides any work or services on a fixed fee basis. The remainder of Clause 9 shall apply in either case.

9.2 Where Contractor's work and services are provided on a time input basis:

9.2.1 Contractor shall be paid Fees at the rates specified in agreed time schedule, which are calculated on the basis of an eight (8) hour working day or as otherwise specified in the Contract;

9.2.2 named personnel shall also be required to complete and submit an original duly signed Time Sheet for approval at the end of each calendar month in support of Contractor's invoices.

9.2.3 payment will be made against verified original invoices and Time Sheets submitted by you to DRC within 30 days from receipt.

9.3 Where Contractor's work and services are provided on a fixed fee basis, the total fees shall be the amount(s) set out in agreed time schedule:

9.3.1 if the fee is payable in instalments, payment of each instalment shall be conditional on your achieving the corresponding milestone/deliverable;

9.3.2 payment will be made upon approval by DRC of a completed milestone/deliverable, and receipt of verified original invoice submitted by Contractor to DRC within 30 days

of receipt.

9.4 DRC shall be entitled to deduct from any fees (and other sums) due to Contractor any monies that Contractor may owe to DRC at any time.

9.5 Where indicated in agreed time schedule, DRC may withhold such amount(s) from fee payments to Contractor pending final approval and payment for Contractor's work and services.

9.6 Contractor's invoices must be issued in the full legal name of Contractor. Invoices issued in any other name shall only be paid at DRC's sole discretion.

9.7 Authority to incur and reimbursement of expenses will be subject to DRC's prior approval or in accordance with agreed Contract budget. Incurred expenses will only be reimbursed at cost and based on production of original receipts. Any expenses claimed should be shown in the original currency in which they were paid.

9.8 It is Contractor's responsibility to satisfy any relevant taxation (including VAT) or social security regulations applicable to Contractor and Contractor's employee's and Contractor's provision of work and services and Contractor warrants hereby that it has done and will continue to do so properly. If DRC is required by any applicable law (as determined in its discretion, acting in good faith) to make any deductions or withholding in respect of tax from payments to Contractor, Contractor hereby authorises DRC to make such a deduction and pay such amount to the relevant tax authority.

9.9 Payments made pursuant to this Clause are subject to the satisfactory performance by Contractor and its employees of work and services under the Contract. Contractor agrees to repay DRC any charges, costs, claims or penalties incurred by DRC as a result of any material failure on the part of Contractor or its employees to perform the work and services under the Contract to a reasonable standard or any other material breach of the Contract. For the purpose of this Clause 9.9, Contractor shall be entitled to rely on any applicable limitation or exclusion on which DRC would be able to rely under the Contract.

9.10 Contractor's days and hours of work shall be fixed on the basis of local laws and customs and the requirements of the Contract. Travel days for mobilisation and demobilisation, as well as for any personal leave periods (for whatever reason) shall not be treated as payable working days, unless otherwise agreed in the Contract.

9.11 Prior to payment, Contractor shall present signed Waybills/Packing List showing delivery has been made or signed Certificate of Completion of Services, whichever is applicable.

9.12 The total contract price shall be the sole remuneration owed by DRC to Contractor under the Contract and shall not be subject to revision or variation.

## **10. COMPLETION OF CONTRACT**

The Contract shall be considered complete when all terms and conditions have been complied with by the Parties and the Parties have discharged all reciprocal obligations. If the Contract is valid for a limited period of time, the expiration of the period of validity in itself shall not relieve any Party of completing obligations still pending at the date of expiration.

## **11. WARRANTIES**

11.1 If the Contract involves the purchase of goods:

11.1.1 Contractor warrants upon delivery and for a period of twenty four (24) months from the date of delivery that goods purchased under the Contract will conform in all material aspects to the applicable manufacturer's specifications for such goods

12.1 Contractor shall reimburse DRC for all costs, losses, damages, liabilities, expenses, and/or claims brought against DRC by third parties arising out of:

12.1.2 acts or omissions of Contractor, its employees and/or sub-contractors in the performance of the Contract, including claims that relate to workmen's compensation;

Title to any equipment and supplies that may be provided by DRC to Contractor for the performance of any obligations under the Contract shall remain with DRC, and any such equipment shall be returned to DRC at the conclusion of the Contract or when no longer needed by Contractor. Such equipment, when returned to DRC, shall be in the same condition as when delivered to Contractor, subject to normal wear and tear, and Contractor shall be liable to compensate DRC for the actual costs of any loss of, damage to, or degradation of the equipment that is beyond normal wear and tear.

## **16. INTELLECTUAL PROPERTY AND OTHER PROPRIETARY RIGHTS**

16.1 Except as is otherwise expressly provided in writing in the Contract, DRC shall be entitled to all intellectual property and other proprietary rights including but not limited to patents, copyrights, and trademarks with regard to products, processes, inventions, ideas, know-how, or documents and other materials which Contractor has developed for DRC under the Contract and which bear a direct relation to or are produced, prepared, or collected in consequence of, or during the course of, the performance of the Contract. 18.3 Contractor acknowledges that a violation of this Clause would cause immediate and irreparable harm to DRC for which money damages would be inadequate. Therefore, DRC will be entitled to relief for the Contractor's breach of any of its obligations under this Clause without proof of actual damages.

## 19. IT SECURITY AND DATA PROTECTION

19.1 During the performance of services under the Contract, Contractor shall use the latest versions of industry-accepted anti-virus software to check for and delete malicious software from any assets used in connection with the Contract.

On receipt of the notice or notices, DRC shall take such action as it reasonably considers appropriate or necessary in the circumstances, including the granting to Contractor of a reasonable extension of time in which to perform any obligations under the Contract.

20.2 If Contractor is rendered unable, wholly or in part, by reason of force majeure to perform its obligations under the Contract, DRC shall have the right to suspend or cancel the Contract on the same terms and conditions as are provided for in Clause 21, "Termination," except that the period of notice shall be seven (7) calendar days instead of thirty (30) calendar days. In any case, DRC shall be entitled to consider Contractor unable to perform its obligations under the Contract in case Contractor is unable to perform its obligations, wholly or in part, by reason of force majeure for any period in excess of ninety (90) calendar days.

Termination without cause will be the sole right of DRC. The initiation of arbitral proceedings in accordance with Clause 25.2 below, shall not be deemed a termination of the Contract.

21.2 Termination for cause: Without limitation, DRC may by written notice immediately terminate this Contract without prejudice to any other right or remedy it may have under these conditions or liability to make any further payment (other than in respect to amounts duly accrued prior to the termination date) if Contractor or Named Personnel:

21.7 Upon the effective date of termination of the Contract, all legal obligations, rights and duties arising out of this Contract shall terminate except as otherwise expressly provided in the Contract.

## 22. NON-WAIVER OF RIGHTS

The failure by either Party to exercise any rights available to it, whether under the Contract or otherwise, shall not be deemed for any purposes to constitute a waiver by the other Party of any such right or any remedy associated with it, and shall not relieve the Parties of any of their obligations under the Contract.

## 23. NON-EXCLUSIVITY

## 28. LIMITATION ON ACTIONS

The Parties acknowledge and agree that, for these purposes, a cause of action shall accrue when the breach actually occurs, or, in the case of latent defects, when the injured Party knew or should

have known all of the essential elements of the cause of action, or in the case of a breach of warranty, when tender of delivery is made, except that, if a warranty extends to future performance of the goods or any process or system and the discovery of the breach consequently shall await the time when such goods or other process or system is ready to perform in accordance with the requirements of the Contract, the cause of action accrues when such time of future performance actually begins.

Contractor agrees that breach of this provision may lead, at DRC's sole discretion, to the full avoidance of the Contract irrespective of any work already performed. Avoidance shall exclude any right of Contractor to claim any payment, even for work already performed. Avoidance will be without prejudice to any further remedies that DRC may be entitled to hereunder or at law with particular reference to refund of payments already made, claims for damages and losses occurred, bribery, and fraud.
