

## Request for Proposals

**Solicitation No:** RFP TEPS-2024-081 (T-KASS016)  
**Title:** Rehabilitation of Kassala Peace Centre  
**Issue Date:** 23 September 2024  
**Closing Date:** 06 October 2024  
**Questions Due:** 24 September 2024 – 26 September 2024  
**Closing Time:** 15:00hr (3:00pm) Khartoum, Sudan  
**Subject:** USAID Contract No. AID-667-C-14-00001  
**Toward Enduring Peace in Sudan (TEPS)**

DT Global, the implementer of the Toward Enduring Peace in Sudan (TEPS) under USAID Contract No. AID-667-C-14-00001, invites proposals for **Rehabilitation of Kassala Peace Centre** as described in Attachment I “Statement of Work

The period of performance for this activity anticipates commencing on **October 30<sup>th</sup>**, 2024, and ending **December 30<sup>th</sup>**, 2024. The issuance of a subcontract is subject to availability of funds, successful negotiation of the subcontract terms and budget, and reception of USAID’s Contracting Officer subcontract consent, if required. The Contract resulting from this award is envisioned to be a **Fixed Price Contract** (PO) subcontract.

DT Global encourages your organization to indicate its interest in this procurement by submitting a proposal in accordance with the instructions in Attachment II “Instructions to Offerors”. Proposals will be evaluated based on the evaluation criteria established in Attachment III of this solicitation. An award will be made to the Offeror whose proposal represents the best value to the project after evaluation in accordance with the criteria stated in the solicitation.

To be considered under the solicitation process, the Offeror should submit a complete proposal by the means indicated herein no later than the closing date and time indicated above. Offerors should ensure that the proposals are well written, easy to read and follow, and contain only the requested information.

Proposals can be submitted **electronically** via email to:

TEPS Procurement Team

Email: [teps.procurement.bid@dt-global.com](mailto:teps.procurement.bid@dt-global.com);

The solicitation number above must also be mentioned in the subject of the email.

All questions relating to this solicitation must be submitted electronically via email to:

Procurement Team at [teps.procurement.bid@dt-global.com](mailto:teps.procurement.bid@dt-global.com).

**no later than September 24, 2024 - September 26, 2024, at 15:00hrs (3 pm) Khartoum, Sudan time. Answers to all the questions will be shared with all the bidders, by September 28, 2024.** Unless otherwise notified by an amendment to this RFP, no questions will be accepted after this date. No questions/clarifications will be entertained if received by means other than the specified email address. The solicitation number should be stated in the subject. If you are planning to submit a proposal, it is imperative to confirm receipt of this solicitation by email to [teps.procurement.bid@dt-global.com](mailto:teps.procurement.bid@dt-global.com) in order to be included on the solicitation mailing list to receive answers to questions and any future amendment(s).

answers to all the questions with all the bidders, by a specified date

Proposals must be submitted separately via two different emails. The first email shall include the technical proposal as an attachment and should be named “Technical Proposal” and the second email shall include the cost/business proposal and should be named “Business Proposal.”

Sincerely,

Njuru Nganga

Deputy Chief of Party Operations

**ATTACHMENT I**
**STATEMENT OF WORK**
**Purpose:**

DT Global seeks to identify a **Construction Company** to provide rehabilitation work to Kassala Peace Centre.

**Background:** DT Global is currently implementing the USAID-funded TEPS project in Sudan. To implement its project objectives, DT Global maintains the following offices:

Office Present Locations	Office Region
Damazine	Blue Nile
Kassala	Eastern Sudan

This RFP is for **Kassala Peace Centre- Kassala**

**Project Overview and Project Requirements**

This project proposed to rehabilitate Kassala Peace Centre - Kassala State. To work with the local partners to support identifying their needs. This includes developing their capacity, acknowledging and enhancing their roles as active actors in service provision, recovery, institutional building, as well improving their technical skills. These are all key factors in achieving sustainable peace, and trauma healing.

**Scope of Work:**

Offeror should address how it intends to carry out the Statement of Work. It should also demonstrate a clear understanding of the work to be undertaken and of the responsibilities of all parties involved:

**For 60 days the sub-contractor will be making rehabilitation of the Peace Researching Building, and this includes:**

1. Rehabilitation of the walls, roofs and floors.
2. Repairing of the doors and windows.
3. Supplying and maintain of the electricity network.
4. Supplying and making plastering and painting of the interior and exterior walls.
5. Rehabilitation of the sewage network.
6. Supplying and installation new air conditioners.
7. Supplying and making plain concrete.

**The project activities will be conducted under supervision of TEPS STTA Engineer, Environmental Specialist and the Peace and Development Research Center, University of Kassala.**

## ATTACHMENT II

### INSTRUCTIONS TO OFFERORS

#### General Instructions

These Instructions to Offerors will not form part of the offer or of the Subcontract. They are intended solely to aid Offerors in the preparation of their proposals.

- This is a full and open competition open to **Sudanese and under development countries contractors**
- The proposals, and all corresponding documents related to the proposal must be written in the English language unless otherwise explicitly allowed.
- No costs incurred by the Offerors in preparing and submitting the proposal are reimbursable by DT Global. All such costs will be at the Offeror's expense.
- Proposals and all cost and price figures must be presented in **USD**. All prices should be net of Host Country VAT and customs duties. The services provided under this contract are funded by the U.S. Government and shall be exempt from Host Country taxes, import and other fees, as stipulated in the bilateral agreement between the U.S. Government and Government of **Sudan**. The subcontractor shall obtain prior written approval by DT Global before making any VAT payments. **Awards will be in US. Dollars and payments made to Sudan firms will be in SDG local currency** equivalent at the exchange rate of the payment date.
- The Offeror must state in its Proposal the validity period of its offer. The minimum offer acceptance period for this RFP is **90 days** after closing date of the RFP. Offers with a shorter acceptance period will be rejected. This RFP in no way obligates DT Global to award a subcontract.
- Responsibility Determination: Award shall only be made to "responsible" prospective Offerors. To enable DT Global to make this determination, the Offeror must briefly describe in the Attachment Section of the proposal that it:
  - has adequate financial resources including appropriate insurance coverage to perform the work stated herein, or the ability to obtain them;
  - is able to comply with the required or proposed delivery or performance schedule, taking into consideration all existing commercial and governmental business commitments;
  - has a satisfactory performance record;
  - has a satisfactory record of integrity and business ethics;
  - has the necessary technical capacity, equipment and facilities, or the ability to obtain them; and
  - is otherwise qualified and eligible to receive an award under applicable laws and regulations.
- Eligibility of Firms – Source /Nationality: The authorized geographic code for the source and nationality of the goods, services, and suppliers under the **PO/Contract CIS 937**. 937 requires that goods and services be acquired from the United States, cooperating country, and developing

countries other than advanced developing countries but excluding any country that is a prohibited source. A full discussion of the source and nationality requirements maybe found at 22 CFR 228. Offerors whose proposals fail to meet the nationality requirements will be considered non-responsive.

- NDAA Section 889 Compliance. Section 889 of John S. McCain National Defense Authorization Act for Fiscal Year 2019 (NDAA) prohibits the U.S. Government and its contractors from (1) procuring or obtaining any equipment, system, or services that uses covered telecommunications equipment or services and (2) enter into a contract (or extend or renew a contract) with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services. A full discussion of the prohibitions can be found at FAR 52.204-25. To be eligible for award the offeror **must complete and sign the representation in Attachment IV.**
- In addition to the above and to comply with the **Sudan** local laws, Offerors must be licensed and authorized to conduct business in **Sudan**.
  
- **Late Offers:** Offerors are wholly responsible for ensuring that their offers are received in accordance with the instructions stated herein. DT Global reserves the right to reject any offer not submitted by the indicated deadline, even if it was late as a result of circumstances beyond the Offeror's control.
- **Modification/Withdrawal of Offers:** Offerors have the right to withdraw, modify or correct their offer after such time as it has been emailed to DT Global; at the email address stated above and provided that the request is made before the RFP closing date.
- **Disposition of Proposals:** Proposals submitted in response to this RFP will not be returned. Reasonable efforts will be made to ensure confidentiality of both Business and Technical Proposals received from all Offerors. This RFP does not seek information of a highly proprietary nature but if such information is included in the Offeror's proposal, the Offeror must alert DT Global and must annotate the material by marking it "Confidential and Proprietary" so that these sections can be treated appropriately.
- Regardless of the method used in the submission of the proposal, the Technical Proposal and Business Proposal must be kept separate from each other. Technical Proposals **must not** make reference to cost or pricing data in order that the technical evaluation may be made strictly on the basis of technical merit.
- **Clarification and Amendment to the RFP:**
  - Any question raised regarding this solicitation should be received no later **3 pm Khartoum/Sudan local time on September 26<sup>th</sup>, 2024**. All questions must be **in writing**, emailed to the email address specified in the cover letter. No questions/clarifications will be entertained if they are received by means other than the aforementioned email address. The solicitation number should be stated in the subject line. Responses to questions received will be compiled and emailed to potential Offerors.
- If Offeror intends to submit a proposal in response to this solicitation and wishes to receive any updates thereto, Offeror is encouraged to confirm receipt of this solicitation by email to the email address specified in the cover memo.
- Offeror's email message should state in the subject the solicitation number. Also, the email should include the name of your organization, the name of contact person, email address and telephone number.
- DT Global anticipates that discussions with Offerors will be conducted; however, DT Global reserves the right to make award without discussions. Therefore, it is strongly recommended that Offerors present their best offer as their initial submission.
- DT Global may waive informalities and minor irregularities in proposals received.

### **Submission of Proposal:**

- Proposals must be submitted in an electronic format as an email attachment, sent to the email address specified in the cover letter, no later than the date and time specified in the cover letter.
- The email should state the solicitation number in the subject line.

- The file attachment should be in a format that can be opened by one of the following applications: PDF, MSWord, MS Excel, MS PowerPoint. The submission of attachments in any other format may result in disqualifying the offer.
- Please note that the DT Global email server has a limitation of **20MB** for the total attachments per single email. It is strongly recommended that the size of ALL attachments per a single email be less than **20MB**.
- The technical proposal and business proposals should be submitted in two separate emails. The first should be named "Technical" and the second is named "Cost/Business." If the submission will be through several emails, then the emails should be sequentially numbered indicating the total number of emails that will be submitted (example 1/4, 2/4, 3/4 and 4/4).

#### **DUNS Number:**

- The Data Universal Numbering System (DUNS) is a means of identifying business entities on a location-specific basis. <https://fedgov.dnb.com/webform/CCRSearch.do?val=1>
- 
- Complete a search for your exact, legal company name.
- If you do not currently have a registration, click [Request a New DUNS Number]
- Complete information on your Company name. This information should match your local government registration.
- Complete information on your physical address (and mailing if different)
- Complete information on your organization. Your point of contact should be the same as in your local registration.
- Click [submit request]. A page confirming your submission will appear. Take a screenshot of this confirmation and send it to your MSI POC.
- A representative will confirm your DUNS number when complete. If you do not hear in one week, send an e-mail to [ccrhelp@dnb.com](mailto:ccrhelp@dnb.com), including your Company Name, Physical Address, and Country.
- على كل المتقدمين للتعاقد مع وكالة المعونه الامريكيه و وكلائها او معاقديها و في حالة تجاوز قيمة التعاقد مبلغ 30,000 دولار امريكي ان يتقدموا بطلبات للتسجيل و الحصول على الدنس نمبرو ذلك لتسجيل بياناتهم و انشطتهم و موقع عملهم و هو اجراء روتيني من متطلبات التحقق من المتعاقدين و المتعاونين الجدد.

#### **Procurement Ethics**

Neither payment nor preference shall be made by either the Offeror, or by any TEPS staff member, to affect the results of the award. TEPS treats all reports of possible fraud/abuse very seriously. Acts of fraud or corruption will not be tolerated, and TEPS employees and/or subcontractors/grantees/vendors who engage in such activities will face serious consequences. Any such practice constitutes an unethical, illegal, and corrupt practice and either the Offeror or the TEPS staff may report violations to the ethics and compliance anonymous via email to [ethics@aisudan.com](mailto:ethics@aisudan.com) TEPS ensures anonymity and an unbiased, serious review and treatment of the information provided. Such practice may result in the cancellation of the procurement and disqualification of the Offeror's participation in this, and all future procurements. Violators will be reported to USAID, and as a result, may be reported to the relevant U.S. government agencies to be included in a Restricted Parties list, preventing them from participating in future U.S. Government business.

#### **Content of Proposal:**

The proposal shall consist of five (5) sections. 1) The Cover Page-Technical, 2) The Technical Proposal, 3) The Cover Page-Cost, 4) the Cost/Business Proposal; and 5) The Attachments

##### **1. The Cover Page-Technical:**

The cover page should be on the Offeror's letterhead and MUST contain the following information:

- Solicitation Number
- Company's Name:
- Company's Address
- Name of Company's authorized representative
- **Telephone No, Cellular Phone #, Email address**
- Validity of Proposal
- Signature, Date and time

## 2. Technical Proposal:

The technical proposal shall describe how the Offeror intends to carry out the statement of work. It will also address the Offeror's corporate capabilities to carry out the work and the extent to which the Offeror has a demonstrated ability to provide the required services.

The Offeror will also include the resumes of all proposed personnel. The Offeror shall provide information about past performance implementing similar work globally, and most particularly, in **Sudan** within the last 3 years. Capacity to undertake the technical and administrative backstopping of all interventions described in the Scope of Work. Offeror should also provide detailed description of existing facilities in the **Sudan**.

The technical proposal should be divided into three sections following the same order of the technical evaluation criteria mentioned in Attachment III. Failure to respond to any section will be the basis for disqualification of the Offeror from further consideration.

## 3. The Cover Page - Cost/Business:

The cover page should be on the Offeror's letterhead and MUST contain the following information:

- Solicitation Number
- Company's Name:
- Company's Address
- Name of Company's authorized representative
- Telephone No, Cellular Phone #, Email address
- Total Proposed Price
- Validity of Proposal
- Acceptance of Tax Withholding Statement
- DUNS number (if available) and TIN
- Name and address of Government Audit Agency and name and phone number of the auditor
- A valid business license or Registration Certificate
- Signature, Date and time

## 4. The Cost/Business Proposal:

As stated earlier, the cost proposal shall be submitted separately from the technical proposal. The budget will present the cost for performing the work specified in this solicitation. A template is provided for the pricing as Annex 1. At a minimum, the cost proposal will include the following information:

- A detailed cost break-down of the proposed budget to the maximum extent practical using the template provided.
- A detailed and comprehensive budget narrative explaining the basis for the cost estimates. (**Present the used exchange rate**).

- Contractor Employee Biographical Data sheet (C.V) for everyone presented in the proposal. The Form must be duly signed by the individual and the Offeror. See Annex 2 for the C.V.
- Negotiated Indirect Rate Agreement (NICRA) or other documentation from its cognizant audit agency, if any, stating the most recent provisional indirect cost rates.
- If Offeror does not have a cognizant audit agency, the Offeror must provide audited balance sheets and profit & loss statements for the last two complete years and current year-to-date; and
- The most recent two fiscal year pool and base cost compositions along with derived rates, the bases of allocation of these rates and an independent certified audit by a certified accounting firm of these rates.

## 5. Attachments

This section will include any information or document that was not listed in the above sections and the Offeror finds necessary to include in the proposal. In this section, the Offeror will also include the information that will assist DT Global to determine the Offeror's responsibility. The following are required documents to be submitted with the proposal:

- Current copy of the business registration (front and back)
- Proof of good standing with the **Sudan** Revenue Department
- Proof that there are no outstanding tax liabilities with the **Sudan** Government that could lead to company being unable to provide services as set out in the RFP
- Visa and work permit policy
- Proof of medical insurance coverage for staff
- Completed and signed NDAA Representation Form (see Annex IV)

This solicitation in no way obligates DTG Global to award a subcontract, nor does it commit DT Global to pay any costs incurred in preparation and submission of a proposal in response to the RFP. Furthermore, DT Global reserves the right to reject any and all offers if such action is in the best interest of DT Global.

### Instructions for the Preparation of the Cost/Business Proposal

The subcontract type will be **PO/Contract- Fixed Price Subcontract**.

**A Firm Fixed Price Subcontract is: An award for the provision of specific services, goods, or deliverables and is not adjusted if the actual costs are higher or lower than the fixed price amount. Offerors are expected to include all costs, direct and indirect, into their total proposed price.**

The Offeror must provide a completed budget in the template provided. If an Excel file, it should not be 'read only' or 'protected' The proposal must include any necessary supporting information to substantiate proposed costs. The Offerors must submit a detailed budget narrative that supports and clarifies item for item the cost estimates proposed in its budget. Narratives for the individual cost items must provide a discussion of any estimated escalation rates where applicable. Estimated costs proposed to exceed ceilings imposed by USAID or Federal procurement policy must be fully explained and justified.

## ATTACHMENT III EVALUATION CRITERIA

### TECHNICAL PROPOSAL EVALUATION

Proposals will be evaluated according to the criteria stated herein. The relative importance of each individual criterion is indicated by the number of points assigned thereto. A total of 100 points is the maximum possible technical score for each proposal.

The evaluation criteria serve to:

- (a) **identify the significant factors which the Offeror should address in their proposal under each section.**
- (b) **and (b) set the standard against which all proposals will be evaluated.**

#### **Technical Approach (100 Points): (the below are illustrative points for evaluation; should be revised based on project and scope)**

The proposal demonstrates a full understanding of the work that needs to be performed under the SOW, as well as a clear, straightforward approach to achieving the activity objective.

#### **Capabilities and Experience (40 Points):**

Registration of the company in Sudan should be for more than 7 years. (10 points)

In-country presence and knowledge of **Sudan (Registration with Sudanese contractor's associations)** (10 points)

Provision of equipment's of the company that can be used in this business fully owned- Rented) (10 points)

Rehabilitation work plan broken down by weeks for the whole period of rehabilitation as the scope of work titles. (10 points)

#### **Past Performance (30 points)**

A proven track record of implementing similar activities to those outlined in the scope of work (certificates of Completion). (10 Points)

Provision of experienced team in this field (list of engineers and skilled worker). (20 points)

### COST PROPOSAL EVALUATION

Evaluation scores are assigned for cost (30 points). The review of the cost proposal shall include cost realism. This process will include a review of the cost portion of the Offeror's proposal to determine if the overall costs proposed are reasonable and realistic for the work to be performed, if the cost reflects that the Offeror understands the requirements, and if the costs are consistent with the technical part of the proposal. Cost proposals providing more direct funding towards the program instead of administrative costs will be reviewed favorably in the best value determination. Offerors must use the costing template (Bill of quantity) provided as Annex 1.

Evaluation of cost proposals will consider, but not be limited to, the following:

- Cost realism and completeness of cost proposal and supporting documentation.
- Overall cost control evidenced in the proposal such as avoidance of excessive salaries, competitive procurement of subcontracts, excessive cost of management oversight and other costs in excess of reasonable requirements.

Bidders are reminded that DT Global is not obligated to award a negotiated subcontract based on lowest proposed cost or to the bidder with the highest technical evaluation score. DT Global will make award to the bidder whose proposal offers the best value to the **TEPS** program considering both technical and cost factors. When competing technical proposals are considered essentially equal then cost will become the determining factor.

## ATTACHMENT IV

### REPRESENTATION REGARDING CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT

**(a) Prohibitions.**

Section 889(a) of the John S. McCain National Defense Authorization Act (NDAA) for Fiscal Year 2019 (Pub. L. 115-232) prohibits the U.S. Government and any of its contractors and subcontractors from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

**(b) Definitions:**

*Covered foreign country* means The People's Republic of China.

*Covered telecommunications equipment or services* means telecommunications equipment produced by Huawei Technologies Company, ZTE Corporation, Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities)

*Critical technology* means defense articles or defense services included on the United States Munitions List set forth in the International Traffic in Arms Regulations under subchapter M of chapter I of title 22, Code of Federal Regulations; Items included on the Commerce Control List set forth in Supplement No. 1 to part 774 of the Export Administration Regulations under subchapter C of chapter VII of title 15, Code of Federal Regulations, and controlled- (i) Pursuant to multilateral regimes, including for reasons relating to national security, chemical and biological weapons proliferation, nuclear nonproliferation, or missile technology; or (ii) For reasons relating to regional stability or surreptitious listening; Specially designed and prepared nuclear equipment, parts and components, materials, software, and technology covered by part 810 of title 10, Code of Federal Regulations (relating to assistance to foreign atomic energy activities); Nuclear facilities, equipment, and material covered by part 110 of title 10, Code of Federal Regulations (relating to export and import of nuclear equipment and material); Select agents and toxins covered by part 331 of title 7, Code of Federal Regulations, part 121 of title 9 of such Code, or part 73 of title 42 of such Code; or Emerging and foundational technologies controlled pursuant to section 1758 of the Export Control Reform Act of 2018 (50 U.S.C. 4817).

*Reasonable inquiry* means an inquiry designed to uncover any information in the entity's possession about the identity of the producer or provider of covered telecommunications equipment or services used by the entity that excludes the need to include an internal or third-party audit.

*Substantial or essential component* means any component necessary for the proper function or performance of a piece of equipment, system, or service.

**(c) Representation.** After conducting a reasonable inquiry **Subcontractor** represents that it [ ] will or [ ] will not provide covered telecommunications equipment or services to DT Global in the performance of any contract, subcontract, order, or other contractual instrument resulting from this contract. This representation shall be provided as part of the proposal and resubmitted on an annual basis from the date of award.

**(d) Disclosures.** If the **Subcontractor** has responded affirmatively to the representation in paragraph (c) of this clause, the **Subcontractor** shall provide the following additional information to DT Global:

(1) List of all covered telecommunications equipment and services offered or provided (Entity name, brand; model number, such as original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable);

(2) Explanation of the proposed use of covered telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b) of this provision;

**(e) Reporting requirement.**

(1) In the event the **Subcontractor** identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the **Subcontractor** is notified of such by a **subcontractor** at any tier or by any other source, the **Subcontractor** shall report the information in paragraph (d)(2) of this clause to DT Global.

(2) The **Subcontractor** shall report the following information pursuant to paragraph (d)(1) of this clause

(i) Immediately upon such identification or notification: the contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.

(ii) Within 5 business days of submitting the information in paragraph (d)(2)(i) of this clause: any further available information about mitigation actions undertaken or recommended. In addition, the **Subcontractor** shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

**(f) 2<sup>nd</sup> Tier Subcontracts.** The **Subcontractor** shall insert the substance of this clause, including this paragraph (f), in all 2<sup>nd</sup> Tier subcontracts and other contractual instruments, including subcontracts for the acquisition of commercial items.

**(g) SAM Verification.** The **Subcontractor** shall regularly review the list of excluded parties in the System for Award Management (SAM) (<https://www.sam.gov>) to identify entities excluded from receiving federal awards for “covered telecommunications equipment or services”.

### PRIME CONTRACT FLOW-DOWN CLAUSES

This Contract will be funded by the U.S. Agency for International Development (USAID) with DT Global implementing this USAID project. Applicable clauses incorporated herein by reference shall have the same force and effect as if they were incorporated in full text. A copy of the full text of each clause may be obtained from <http://www.acquisition.gov/far>, <http://www.usaid.gov/policy/ads/300/aidar.pdf>, or from DT Global's procurement official. The term "FAR" means Federal Acquisition Regulation. The terms, "Contractor," "Government" and "Contracting Officer" as used in these clauses shall refer to Vendor, DT Global, and DT Global Contract Administrator respectively. In no event shall any provision of this contract or Orders issued against it be construed as allowing the Vendor to appeal directly to or otherwise communicate directly with (USAID) without written consent of DT Global.

### **EXECUTIVE ORDER ON TERRORISM FINANCING (AUG 2016)**

The Subcontractor/Recipient is reminded that U.S. Executive Orders and U.S. law prohibits transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. It is the legal responsibility of the subcontractor/recipient to ensure compliance with these Executive Orders and laws. This provision must be included in all subcontracts/sub-awards issued under this subcontract/agreement.

## Executive Compensation Certifications (FAR 52.204-10)

In accordance with Public Law 109-282 and FAR 52.204-10, Reporting Executive Compensation for First-Tier Subcontract Awards (JUL 2020), you are required to provide certain information pertaining to compensation of executives in order to be eligible for this subcontract award. Please answer the following question(s) in connection with this requirement:

1. Did your organization in the previous tax year have gross income from all sources over USD 300,000?

Yes

No

If you answered “No” to question 1 above, you are exempt from this reporting requirement. Please sign in the spaces indicated below and return this certification to your point of contact at DT Globa. If you answered “Yes,” please complete **Table I** and answer the following questions:

2. Did your company receive 80% or more of its annual gross revenues from Federal contracts (and subcontracts), loans, grants (and subgrants), and cooperative agreements in the preceding fiscal year?

Yes

No

3. Did your company receive \$25,000,000 or more in annual gross revenues from Federal contracts (and subcontract), loans, grants (and subgrants), and cooperative agreements in the preceding fiscal year?

Yes

No

4. Does the public NOT have access to information about the compensation of your company's executives through periodic reports filed under 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986? (To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filing at <http://www.sec.gov/answers/excomp.htm>.)

Yes

No

If the answers to questions 2, 3 and 4 are all “Yes,” you are required to provide the names and total compensation of each of the five most highly compensated executives in your organization as part of this certification, and on an annual basis for the life of this subcontract. Provide this compensation information in **Table II** below. Please note that as required by public law and FAR 52.204-10(b), APL will report this information to the government, and this information will be made public. Further, please note your continuing obligation to immediately notify APL in writing of any changes to previously reported data.

This certification concerns a matter within the jurisdiction of an agency of the United States and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Section 1001, Title 18, United States Code.
