

RFQ Number	10-001-PZU-2024 – Rehabilitation of pharma warehouse in Port Sudan
Eligibility Criteria	Legal registration (operational) license of the company - All the lists highlighted below are compulsory at offer submission. The IMC reserves the right to move forward with offer analysis with the documents submitted or request further documents.
Site Visit	A site visit will be conducted with intending bidders on 06.10.2024 from 10 am to 12 pm . This site visit is mandatory as intending bidder will be explained the scope of work and will have the opportunity to assess the site. Bids received from vendors without attendance during the site visit will not be disqualified but the vendor is responsible for the price quoted including delivery time. IMC will not at any point approve a deviation request.
Technical Criteria	Vendors must obtain 70 points/marks out of 100 for the overall technical evaluation score. The vendors with 70 or more marks/points would be considered eligible for financial evaluation
Financial Criteria	Technically compliant bidders with 70 or more marks/score offering the Lowest Price offer.

The below criteria will be used for bids evaluation of both Lots .
