NEF may, at its discretion, extend the deadline for the submission of bids, by notifying all prospective proposers in writing. The extension of the deadline may accompany a modification of the solicitation documents prepared by NEF at its own initiative or in response to a clarification requested by a prospective proposer.
7. You are requested to hold your bid valid for **30 days** from the deadline for submission. NEF will make its best effort to select Individual/firm/institution within this period.
8. The contract will be fixed price contract covering all works related to the delivery of and installation of equipment in the set locations.
9. **The date of expiry for drugs MUST not be less than one year**

**10. All drugs MUST be registered in Sudan**

11. Please note that the cost of preparing a bid and of negotiating a contract, including any related travel, is not reimbursable nor can it be included as a direct cost of the assignment.

12. Any requests for clarification should be referred to the email address set above in writing and before the deadline to submit bids. Any written reply to a particular question may be copied to all other invited firms/institutions, at the discretion of NEF.

13. Near East Foundation is not committed to award based on the lowest bids.

14. All suppliers doing business with NEF should maintain high standards on ethical issues, respect and apply basic human and social rights, ensure non-exploitation of child labor, and give fair working conditions to their staff. NEF reserves the right to reject quotations provided by suppliers not meeting these standards. Vendors doing business with NEF will be screened on anti-corruption due diligence before confirming an order or contract.

15. This document consists of **THREE LOTS**

## ANNEX I: TERMS OF REFERENCES

### A. Purpose and Scope of Assignment

The Near East Foundation Sudan office is seeking qualified bidder to complete **Provision of Medical Supplies and Equipment to support three mobile clinics in Jazzera State -Managel** NEF desires to enter into a firm fixed price contract for installation, with the scope outlined in the attached BOQ and the list of locations. Any change to the scope/ cost or time of completion should be in writing and after both parties review the reason for the change and the impact on the above factors and additional works must not start before final approvals by both parties in writing on the proposed changes.

**B.** The contractor shall complete all the works, clear and clean the site of any debris, conduct all required tests within the period of performance of the contract, any delay that is not under an approved change order by both parties will subject the contractor to delay penalties (1% of the contract value per day up to 15 days after which NEF has the right to terminate the contract).

### C. Service Standards

The Contractor shall provide all original materials and spare parts from the manufacturing company, complete the work, conduct the tests under supervision from NEF point of contact in the field, and submit a formal notification of completion to initiate the final inspection / approval stage. NEF will pay only for completed and inspected works after completion and based on the report from NEF supervising staff.

### D. Quality Control for the Services

The Contractor shall establish and operate to monitor on a regular and continual basis the quality of works provided to NEF, the contractor must share and implement its own quality control process with the supervising NEF staff.

NEF reserves the right to conduct its own quality control inspection any time during the contract period.

The Contractor warrants that all personnel assigned to handle NEF works shall have a strong experience and the capacity to complete the works at the highest quality possible.

NEF will coordinate regular monitoring of the work jointly with **MoH** who will be part of the final inspection and acceptance of the work.
