

TOR for Provision of office Supplies - Supermarket consumable items

CARE International in Sudan Port Sudan office seeks to establish a contract for the provision of food consumable items from Supermarket for All CARE offices in Port Sudan, Kassala, Gadarif , Abujebaiha , AlDeain, Kass and Nyala.

What consumable items means:

Consumables (food and non-food) are consumer goods used by individuals and businesses that must be replaced after being used. Consumables can be everyday items that must be consistently replaced and those that wear out over long periods. Many consumable goods are more affordable than other types of goods because they are meant to be replaced frequently. Some consumables are designed for one-time use, while others can be used multiple times.

Objective:

Establish a contract with Supermarket to provide all consumable items needed for CARE offices (food and non-food) and guesthouse to be consumed, as by eating, drinking, or using consumable goods. Liable to be used up or depleted (consumable resources) at at each respective office.
