

TERMS OF REFERENCE (TOR) OR SCOPE OF WORK (SOW) FOR LOCAL PROCUREMENT OF ESSENTIAL DRUGS AND MEDICAL SUPPLIES UNDER SHF PROJECT IN ALGAZERA STATE.

BACKGROUND TO CARE INTERNATIONAL IN SUDAN

CARE has been operational in Sudan since 1979, with humanitarian, early recovery and peace building interventions. Sectors involved include Peace building, WASH, Health & Nutrition, livelihood diversification and Economic Empowerment. Through SHF and other donors funding, CARE has been supporting Health and Nutrition programs in 7 different states across Sudan Kassala, Algadrif, Algazera, Khartoum, South Kordfan, South and East Darfur. The programs have been supporting both primary and secondary health services, including free medical consultations and provision of drugs and medical supplies, inclusion of youth and women in community decision making and leadership and engagement in economic empowerment. CARE strongly supports and works with national NGOs, Community Based Organizations, government line ministries and universities and is committed to gender equality and women empowerment.

BACKGROUND OF THE TASK TO BE DONE

CARE's intervention aims to provide integrated lifesaving health and nutrition services to a total of 30,600 individuals affected by the ongoing conflict, including Internally Displaced People (IDPs), Returnees and host communities. Support will be provided to 3 integrated Primary Health Care (PHC) facilities in Madani Al Kobra locality. These facilities are namely, Al Engaz PHCC, HabibAllah PHCC, and Al Andalus PHCC facilities.

JUSTIFICATION FOR THIS TASK/ACTIVITY

The provision of drugs and medical supplies through in country procurement under SHF project to the most vulnerable communities in Algazera state .

OVERALL OBJECTIVE:
