Tender Notice

Mercy Corps is a non-religious, non-profit and non-governmental international humanitarian organization powered by the belief that a better world is possible. In disaster, in hardship, in more than 40 countries around the world, we partner to put bold solutions into action — helping people triumph over adversity and build stronger communities from within. Mercy Corps has been working in Sudan since 2004. Today, we provide support to populations affected by the latest crisis across 10 of Sudan's 18 states. We provide communities in need with cash assistance to enable them to cover their most urgent needs, while also promoting community resilience and recovery, particularly through support for smallholder farmers' access to inputs, cash and training to increase food production, as well as linkages to existing markets.
