Procurement of Vehicle

Enhancing Food Security and Resilience of Rural Communities in Sudan (EFSR) Project

1. Background

The project “*Enhancing Food Security and Resilience of Rural Communities in Sudan (EFSR)*” aims to improve livelihoods, increase food security, and strengthen resilience among vulnerable rural communities.

To effectively implement project activities across Kassala and Gedarif locations, the project requires a **reliable and efficient vehicle** to facilitate field visits, monitoring, supervision, and coordination.

2. Objective

The objective of this procurement is to acquire a **new vehicle** that will support project implementation, enhance mobility of field teams, and ensure timely delivery of services to targeted communities.

3. Scope of Work

The supplier is required to supply one (1) brand-new vehicle meeting the following minimum specifications:

4. Technical Specifications

Specification	Requirement
Model	Hyundai Tucson (Brand New, Model 2026)
Color	White
Engine Type	Petrol engine (بنزين)
Engine Capacity	2.5L GDI, 4-cylinder

Horsepower	187 hp
Torque	178 lb-ft
Transmission	8-speed Automatic
Drivetrain	4-Wheel Drive (4WD)

5. Deliverables

The selected supplier shall:

1. Deliver one brand-new Hyundai Tucson (2026 model) as specified
2. Provide all necessary documentation including:
 - Invoice
 - Warranty documents
 - User manual
 - Registration and compliance documents

6. Delivery Location

The vehicle shall be delivered to the designated project office in Port Sudan

7. Delivery Timeline

The vehicle must be delivered within 3 weeks from the date of contract signing.

8. Warranty and After-Sales Service

- Minimum manufacturer warranty must be provided
- Availability of after-sales service and spare parts within Sudan
- Supplier must ensure access to authorized service centers

9. Eligibility Criteria

Eligible suppliers must:

- Be authorized dealers or certified distributors
- Have verifiable experience in vehicle supply
- Provide proof of after-sales service capability in Sudan

10. Evaluation Criteria

Bids will be evaluated based on:

- Compliance with technical specifications
- Price competitiveness
- Delivery timeline
- Warranty and after-sales support

11. Payment Terms

Payment terms will be defined in the purchase contract, subject to:

- Successful delivery
- Inspection and acceptance of the vehicle

12. Reporting and Coordination

The supplier will coordinate with the project's procurement and logistics team for delivery, inspection, and documentation.

13. Approval

This ToR is prepared for approval and implementation under the EFSR project.
